## STUNNING ELEMENTS

The shades that comprise the Glossy series, thanks to their sobriety and naturalness, perfectly integrate with the contemporary style of home furnishing. The minute details that characterized the glossy collection are seen best in the three-dimensional structures decor; in the Wall 3D, for example, built from small bush-hammered, honed and sand-blasted pieces, or in the Rub decor, which with its worked surface, tells the story of the material quality of sedimentary stone. The Wall Clad interprets an assemblage of tradition, which combines perfectly with the rest of the collection, thanks to its naturalness.

# Redesign Your Spaces

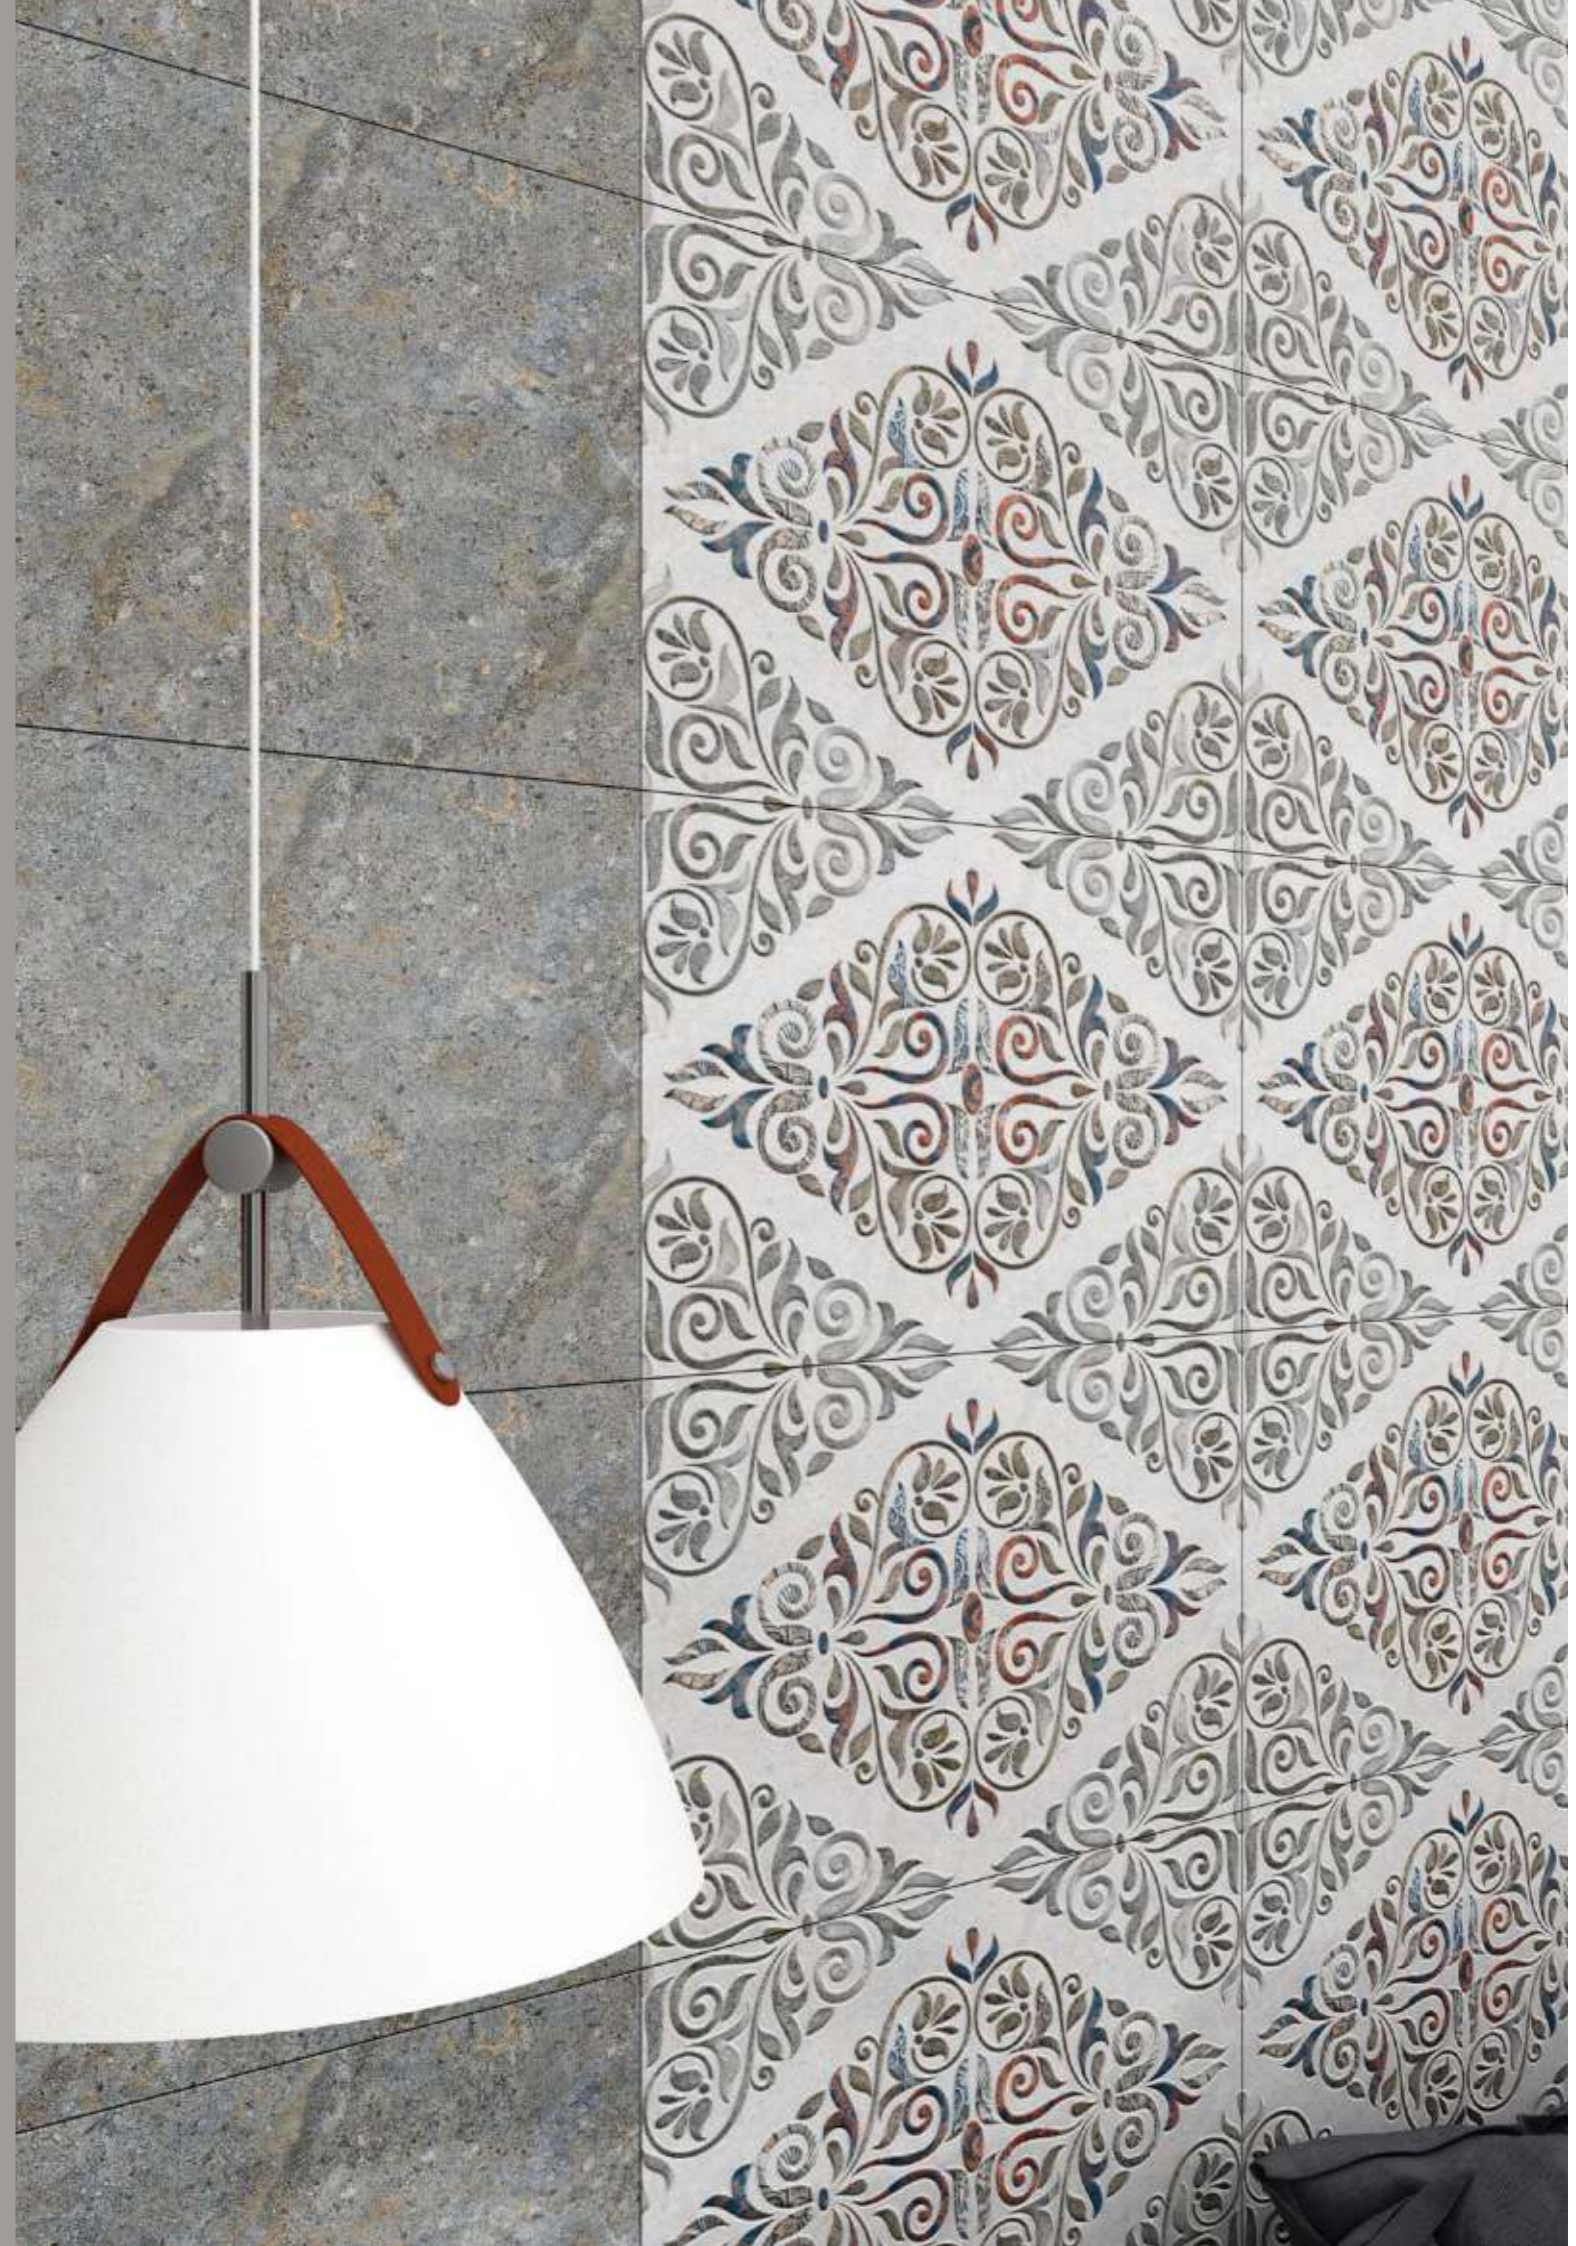

Many times, little details make large projects. In life and interior design the details awake your emotions collection that mixes traditional and modern pieces. Inspiring nice and friendly environments, commercial and residential, perfect to enjoy some time to disconnect.

The colour palette combines pale and bright hues, underlining each colour, with a special pattern inspired by classic wallpapers and scenographic decorations, whose wealth of detail is enhanced by the special matte effect and touches of glossy finish.

CHOOSE TILES WITH SOFT  
AND HIGHLIGHTING COLORS  
TO CREATE A CONTEMPORARY  
LOOK FOR YOUR PLACE

The main theme of our decorative tile is, without a doubt, the hydraulic wall tile. The antique style is fashionable again. The constant search of being singular encourages the interest in the past. Nowadays, people are seduced by worn out shapes and vivid colours like the ones we can find in the clay. A contemporary vision of an antique style.

## Remarkable And Singular

A magic that allows time to be lived  
and enjoyed in both directions.  
Objects and concepts that trace  
a bygone era yet have the energy  
to bound back into the present.

A beauty that manages to bypass  
the limits of time itself. The real definition  
of beauty, a material which reclaims  
the hand-chipped authenticity of yore,  
of the fundamental architecture that  
gave life and character to many a medieval  
square, yet which reinvents itself with  
stunningly contemporary timeliness.
